PRISON: IT'S WHERE JESUS IS

JESUS SAID, "I WAS IN PRISON AND YOU CAME TO VISIT ME" (MATT. 25:36).

JESUS ALSO SAID, "WHOEVER WELCOMES ONE OF THESE LITTLE CHILDREN IN MY NAME WELCOMES ME" (MARK 9:37).

JESUS IDENTIFIES MOST PERSONALLY WITH THOSE WHO ARE SHUNNED AS INSIGNIFICANT AND POWERLESS. SO GET

INVOLVED IN PRISON
MINISTRY AND **BE WHERE JESUS IS!**

CAMPUS MINISTRY WITH SERIOUS CONSEQUENCES

P RISON FELLOWSHIP IS LOOKING FOR TEAMS OF COLLEGE STUDENTS WITH THE COURAGE, CREATIVITY, AND COMPASSION TO TAKE THE LEAD IN THE NEXT GENERATION OF CAMPUS MINISTRY. BE THE GROUP ON YOUR CAMPUS WHO READS WHAT JESUS TAUGHT AND PUTS IT INTO ACTION JUST AS JESUS COMMANDED. HELP REACH OUT TO A POPULATION OF PEOPLE THAT SOCIETY WRITES OFF ... JESUS WENT TO THE CROSS FOR THEM, TOO.

PRISON FELLOWSHIP ON CAMPUS - A RADICAL PARADIGM

Fellowshipping with Jesus, Visiting Prisoners, and Welcoming Children of Prisoners. Through tens of thousands of volunteers across the U.S. and in 104 other countries, Prison Fellowship is calling broken lives in a broken culture to new life in Christ. With your help, a whole new generation of at-risk youth can be positively influenced through God's endless love.

FELLOWSHIPING WITH JESUS

This is the core of your life and of Christian ministry. Prison Fellowship wants to help you deepen your relationship with Jesus and equip you to bring a

clear biblical point of view into the vast array of ideas battled about in your classes and in your relationships. But it's more than an intellectual exercise; Christ has called us to live out our beliefs in radical service that will help restore broken lives as well as our broken culture! Bring this new way of thinking to your campus.

VISITING PRISONERS

Prison Fellowship will train you and your campus ministry team to go into prisons and share Jesus with people who hunger for forgiveness! Despite the rep they get in the media, most men and women in prison are not hopelessly evil people. Most have the same hopes and dreams you have, but they've taken some destructive steps to reach them. Help them realize the power to live a new way the way that Christ offers. Prison Fellowship has helped organize thousands of volunteers into teams that lead evangelistic seminars, worship services, weekly Bible studies, and mentoring relationships with inmates seeking to follow Christ in a stress-filled environment.

Start a campus ministry team and Prison Fellowship will train you to go into adult and youth prisons. Think especially about the incarcerated youth who could be heading for a *lifetime* of crime without intervention. You can help them open up because you're more of a peer than a parent!

WELCOMING CHILDREN

It isn't fair to have to pay for someone else's crimes. Yet that's what children of prisoners are forced to do all the time. You can help reach the nearly two million children who suffer loneliness, shame, rejection, abandonment, sometimes even poverty because their mom or dad is in prison. Through Prison Fellowship's Angel Tree ministries you can reach kids all year long, by buying gifts at Christmas, sending them to camp in the summer or one-on-one mentoring throughout the year.
